

# Lake Minnetonka District Camporee Host Troop Schedule

Dear Lake Minnetonka District Troops,

The following is a list of when troops are tentatively scheduled to help plan and staff upcoming District Camporees. This schedule is not concrete. Please keep in mind, however, that sharing in the staffing of these camporees is what will keep them new and different for the boys, while spreading fairly across the many volunteers in our district. Please contact District Activities Chair, if you have any questions or concerns.
