

District Award of Merit – Tina Ramacier

With a son in Scouts, this Award of Merit recipient brings lots of energy and a big smile to her Scouting leadership position.

One of her primary goals was bringing more sizzle into her program area. And with several years of experience under her belt, she has done just that.

She started her Scouting experience at the unit level and has honed her skills providing leadership and guidance at the district level.

For the last several years, she has been “a regular” on the first Thursday of the month. Yes, that’s roundtable, and if you haven’t attended, you should. It has lots of great training and fellowship. It will also give you the opportunity to personally congratulate Tina Ramacier on receiving the District Award of Merit.

Let’s congratulate our Cub Scout roundtable commissioner on her outstanding service to Lake Minnetonka District.
