

2019 Lake Minnetonka Volunteer Recognition

Outstanding Den Leader -- Jeff Doughty

This Scouter has been a noble and welcoming Den Leader. Last year he gave up leading his Webelos Den after three years to be the Lion Guide for just a few young Scouts. This year he started a Tiger Den with those same few Scouts plus some new ones. When his Tigers started talking to others about Scouting, his Den began to grow to powerful numbers! When the Den hit 12 Scouts, they thought they were done recruiting for the year, but his Tigers had so much fun they recruited even more friends -- and now number 15! To keep his group manageable these days, he often divides the Scouts into two patrols during their Den meetings.

He's an epic leader who takes a challenge and runs with it. This dynamic Scouter also serves as the Pack's Assistant Treasurer, Pinewood Derby car inspector, rangemaster for shooting sports, and helps out wherever else he's needed. With three children all in Scouting, the Pack looks forward to his continued excellence as a leader and team member that helps Long Lake Pack 206 go.

We are pleased to honor and recognize Jeff Doughty of Long Lake Pack 206 as an Outstanding Den Leader in the Lake Minnetonka District
